## SHORT RESUMÉ

### Objective

I am a recent graduate with a BBA in Finance from Gujarat University, eager to apply my analytical skills in a real-world setting. Having completed a Data Analyst certification from TOPS Technologies and an ASDM certification in Digital Marketing, I am passionate about transforming data into actionable insights. I am seeking an internship or entry-level role in data analysis to further develop my skills in data visualization, statistical analysis, and data-driven decision-making.
